

Will & The Wisp

JUNGLE DREAMS

I spy with my little eye...

Congratulations on your wallpaper purchase!

Here are some fun things in the design that you can find with your family... **Let the visual adventures begin!**

1. Find the jungle mail deliverer
2. Can you spot 7 x envelopes and 1 x newspaper?
3. Find the jungle officer with the two way radio
4. Can you find the animal on the look out that has the other radio?
5. A secret treasure map is hidden within the wallpaper... can you find it?
6. A sleeping dinosaur guards treasure but 2 x treasure pieces have been lost... can you find them?
7. Spot the 2 x Harry Potter references
8. How many sloths live in the tree house?
9. Which animal is 'not a morning person'?
10. What are the names of the two boats?
11. What is the message in the bottle?
12. Which animal is making mischief? Can you spot something that doesn't belong to him?

Imagination is a great learning tool, see what fun stories from this wallpaper your children can come up with!

With thanks,
